President's Message

Dear Members,

Pinedorado is just around the corner and that means the Joslyn will be hosting its annual Pinedorado Waffle Breakfast on Saturday, August 31, starting at 7 am. This has been a long time Joslyn tradition and we know that half the town will show up to share waffles with families and friends before the Lions' festivities began with the parade.

We are counting on a few wonderful volunteers to work two hour shifts the day before (Friday afternoon) to set up the tables and a few more to cook, serve and clean the Saturday morning. Rusty and I will do the shopping. Sal will cook waffles (we need a few more cooks) and the rest is mostly serving and cleaning up. Tickets will go on sale this week and we will limit the number, so buy yours early. The cost remains at \$10 a ticket - the best bargain in town. All the funds raised by the breakfast will go right to the Joslyn. Please come and help support YOUR JARC by both volunteering to help and buying tickets. Carole has the volunteer sign-up sheet in the office, ready for your name. We will also send out a reminder to all members later in the month.

Clubs have been busy again with their contributions. As of the end of June, clubs have donated a record \$9,743 to the center. A table of the first six months club contributions is attached to this newsletter so that you can see just how much your club is supporting the center. Keep it up the wonderful work! We couldn't continue to support our community without your support.

The Film Club is the featured club this month. Please see the article in this month's newsletter which describes their mission, history and latest offering. They provide a great way to see films we wouldn't ordinarily have an opportunity to view locally.

We are cleaning house. We need to know if anyone or any club is using the gigantic podium that is stored in the AV room. And, how about the transparency overhead projector? If no one lays claim to these items they will be donated elsewhere. Please let us know ASAP.

We are still looking for a few good people to join our board. Please consider becoming an officer next year. Positions to be filled include President and First Vice President. I will continue on the board as Past President and will help out as much as I can but cannot serve as President again. Can you?

Thanks for all that you do,

Sharon

Cambria Film Club

The Cambria Film Club (CFC) was first formed at the Joslyn Center in May of 2016. Now at the beginning our fourth year, the CFC is continuing to provide members, guests, and visitors with the opportunity to view and discuss an annual series of six recent international motion pictures. Films are selected from those receiving prestigious award nominations and fitting within the standards of propriety of our larger community.

From our very beginning, the CFC has benefited from a dedicated group of Joslyn Center members who have served on our board: Joel Cehn, Janet Cooper, Patricia and Glenn Hascall, John Rohrbaugh, and Patrice Wyse. The CFC has doubled in size from 15 members in 2016 to 30 members for our 2019 fall season. The CFC has formed on-going motion picture licensing agreements with major US distributors including Sony Pictures Classics, Swank, IFC Entertainment, and Music Box Films.

The CFC presents a film once every two months in the Rabobank Community Room with two Saturday screening times of 4:00 and 7:00 p.m. The 18 films shown to date have ranged from the very recognizable such as “A Man Called Ove” (Sweden), “The Band’s Visit” (Israel), and “Shoplifters” (Japan) to the relatively unfamiliar “Wadjda” (Saudi Arabia), “Tanna” (Netherlands), and “Timbuktu” (Mauritania).

CFC film screenings are not limited to our club members but treated as community events. We announce upcoming films through the Chamber of Commerce web page, the Cambrian, community bulletin boards, and a large sign at Main and Charing (thanks to Art Van Rhyn). Typically, about 10 event tickets are sold at the door to non-members, and we return approximately two-thirds of the amount of these sales to the Joslyn Center each year. CFC members renew every six months for the upcoming three-film series (July/September/November and January/March/May) for a \$20 club membership fee (less than \$7 per film).

September 28 is our next showing. The film will be “Cold War” nominated Palme d’Or, BAFTA & Academy Oscar. A passionate love story set in the ruins of post-war Poland, “Cold War” has been nominated for the Palme d’Or at Cannes and as the best foreign film at both the Academy Awards and British Academy awards. Variety has described the film as “a soberly moving study of the disappointment and insecurity that can blossom from supposed renewal.” Viewing will be at Rabobank Community Room from 4 pm to 7 pm.
